Faculty and Staff

As you anticipate the future, it is my sincere hope that you will look back on your years at Pocahontas High School as having prepared you to meet and deal with the challenges that life will present.

My advice to you is simple, perform endeavors to the best of your ability; be willing to see things through the eyes and minds of others, realizing that individuals may view life differently but have the same common needs and wants; treat people like you want to be treated; be sensitive to others; and always, but always, be honest with yourself.

I wish you health and happiness, a productive life, and the respect of your fellowman.
